## “Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian’s personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## OUR OPENING SONG

*I want to wake up in the morning  
Where the orange  
blossoms grow,  
And the sun comes peeping  
Into where I’m sleeping  
And the song birds say hello.  
I want to wander in the  
orange grove  
As I used to long ago,  
And go drifting back to Florida  
Where the orange  
blossoms grow...*

# This week's program

Last weeks program was presents by Cpl. Steve Feaster of the Brevard County Sheriffs Office K-9 Unit.

In 1997, the Brevard County Sheriff's Office re-established the K-9 unit, which only consisted of four K9 teams. The K-9 Unit has now expanded to seventeen K-9 teams that are individually assigned to different precincts throughout Brevard County.

At the Brevard County Sheriff's Office, like most other large law enforcement agencies in the world, K-9 Units are an essential tool in the fight against crime. A canine's superior sense of smell allows them to not only detect miniscule odors undetectable by their human law enforcement counterparts, but to distinguish these odors from an array of distracting and/or more powerful odors. Their keen eyesight, used in the wild to detect prey, supplements this sense of smell to make them unmatched locating tools. Canines are not only intelligent and trainable, but they adapt well to new and changing situations, a constant in the unpredictable world of law enforcement.

These K-9 teams are composed of a handler assigned to a specific canine partner. Currently, the Brevard County Sheriff's Office utilizes canines of several common working breeds. Three Labrador Retrievers are utilized as single purpose explosive detection canines, although they are also cross-trained in tracking to utilize for missing person tracks. The thirteen remaining K-9 teams utilize German Shepherds, Dutch Shepherds, and Belgian Malinois, which are dual-purpose patrol and narcotics detection canines.

### The K9 Unit helps law enforcement in many ways:

- Provide support to preventative patrol units
- Perform safety checks, keeping unauthorized persons out of restricted areas
- Track fleeing subjects
- Support on delivery of warrants and high-risk arrests
- Search for narcotics
- Search for explosives
- Search for missing people
- Search facilities more efficient, faster and safer
- Deter crime and keep order
- Provide higher level of deputy safety
- Reduce resistance during apprehensions
- Assisting in the control of crowds or riots
- Public relations (K9 demonstrations)
