“Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian’s personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

OUR OPENING SONG

*I want to wake up in the morning
Where the orange
blossoms grow,
And the sun comes peeping
Into where I’m sleeping
And the song birds say hello.
I want to wander in the
orange grove
As I used to long ago,
And go drifting back to Florida
Where the orange
blossoms grow...*

Last weeks guest speaker for February 23rd, 2010 was Coach Doug Merrill with the Power Up Foundation.

The Mission of the Power UP Foundation is to promote positive physical and mental health to communities across the United States. The Power UP Foundation is designed to provide financial support to community programs that promote better physical fitness and mental health to its citizens.

Coach Doug Merrill – Born in Toledo, Ohio, Coach Merrill is the President and Founder of the Power UP Foundation. Merrill is a graduate of Bowling Green High School and a graduate of Bowling Green State University.

Coach Doug Merrill and Cocoa Rotary President Pat Hare.

After graduating high school, Merrill attended Owens Community College where he was a member of the college baseball team. In addition, Merrill had served as a baseball coach for the past twenty years. In 2009, Merrill resigned his position as the Head Baseball Coach at Bowling Green High School.

In 2008, Merrill published the book "Fighting the Demon of Suicide". The book is based upon the eight friends of Coach Merrill's that made the decision to end their own lives. It is Merrill's hope that his book will serve as an educational tool to all of those who work with our nation's youth, hopeful for parents, and inspiring for all those who read it.

In 2009, Merrill founded the Power UP Foundation. The foundation was created to provide financial assistance to communities across the country that has programs that promote better physical fitness and mental health. Merrill believes that better physical health equals better mental health.

Coach Merrill is in the process of organizing a historic run that is scheduled to begin October 4th, 2009 in Boston, Massachusetts and to conclude March 2010 in Key West, Florida. The run is scheduled to last 6 months and will have Coach Merrill running 13.1 miles a day. Along the east coast route, Coach Merrill plans to speak at Universities, Colleges, community organizations, and high schools to spread his message of achieving positive mental health through positive physical health.
