## “Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian’s personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## OUR OPENING SONG

*I want to wake up in the morning  
Where the orange  
blossoms grow,  
And the sun comes peeping  
Into where I’m sleeping  
And the song birds say hello.  
I want to wander in the  
orange grove  
As I used to long ago,  
And go drifting back to Florida  
Where the orange  
blossoms grow...*

This week's program

**Marion Passmore  
Robotics "The Pink Team"**

Last weeks program was presented by Chief Joseph Hellebrand of the Port Canaveral Police Department.

The Canaveral Port Authority Board of Commissioners established the Port Canaveral Police Department late last year as culmination of a four-year initiative to enhance public safety at the world's second-busiest cruise port. The formation of the police department is simply the next step in the evolution of public safety at Port Canaveral in the aftermath of 9/11 and the increased demands of both federal and state laws and regulations.

Port Canaveral will receive nearly \$5 million from the Department of Homeland Security with American Recovery and Reinvestment Act (AARA) funding for its new police department and purchase of a fireboat. Of the \$54 million in Group 2 funds from the Port Security Grant Program, Port Canaveral received the largest single award and more than notable ports such as Jacksonville (\$910,320), Port Everglades (\$190,000), Savannah (\$499,855) and Boston (\$1,896,000) in the same category. Canaveral's grant was second only to Group 1 recipients Long Beach (\$7.8 million), Los Angeles (\$6 million) and the Port of Oakland (\$7.6 million). The Canaveral Port Authority Board of Commissioners established the police department in late 2008 as the culmination of a four-year initiative to enhance public safety at the world's second-busiest cruise port. It is the first seaport police department in Florida. The grant fully will fund current plans for staffing, a public safety complex, and a new fireboat.
