## “Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian’s personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## OUR OPENING SONG

*I want to wake up in the morning  
Where the orange blossoms grow,  
And the sun comes peeping  
Into where I’m sleeping  
And the song birds say hello.  
I want to wander in the  
orange grove  
As I used to long ago,  
And go drifting back to Florida  
Where the orange blossoms grow...*

Janice Shepard, with the Healthy Start Coalition of Brevard was the featured speaker for the Rotary Club of Cocoa on June 2, 2009. She stated that the Healthy Start Coalition of Brevard County is dedicated to establishing a system of care that guarantees all women have access to prenatal care and that all children have access to services that promote normal growth and development. The Healthy Start Coalition of Brevard County facilitates FREE risk factor screens for pregnant woman through obstetrician offices, the Department of Health (DOH) and other pregnancy centers. If a combination of risk factors are found, Healthy Start Coalition provides FREE services to reduce the factors and improve the birth outcome. Participation in the Healthy Start program is not income based - it is solely based on risk factors present.

Cocoa Rotary President Jay Schenck, Janice Shepard with the Healthy Start Coalition of Brevard, and Rotarian Suzanne Violet

Janice was very excited to promote Healthy Start's Space Coast Challenge fundraising event. This is an event that Brevard has NEVER seen before. Teams of two will race through the streets of Brevard (north, central and south) to raise awareness of Healthy Start, to raise money for the moms and babies of Brevard and to bring the community closer together by learning about themselves as well as the businesses that are right here in our own backyard. The teams will leave their cell phones, GPS's, work and life behind for three days and join the race through Brevard; finding clues, performing challenges, and having a great time!

She stated that you can get involved by becoming a sponsor, joining a team, or volunteering for the three day event. The dates are September 17, 18, 19, 2009. TEAM REGISTRATION IS NOW OPEN! But hurry, registration ends June 30, 2009.
