OUR OPENING SONG

*I want to wake up in the morning
Where the orange blossoms grow,
And the sun comes peeping
Into where I'm sleeping
And the song birds say hello.
I want to wander in the
orange grove
As I used to long ago,
And go drifting back to Florida
Where the orange blossoms grow...*

This week's program

**Jim Drake, President
Brevard Community College**

The program for August 4th, 2009 was presented by Steve Gardner, Executive Director of the Greater Orlando Aviation Authority. Mr. Gardner stated that the Greater Orlando Aviation Authority's mission is to create and maintain a first class state of the art user friendly facility. He stated that OIA is the 10th largest airport in the United States and the 22nd largest in the world. OIA handles 36.5 million passengers a year. It is the 4th largest origin of destination in the United States trailing only Los Angeles, Las Vegas, and Chicago (O'Hare) airports.

Mr. Gardner stated that OIA has 4 runways which can accommodate the largest aircrafts in the world. He also mentioned that because the runways are far enough away from each other they can have more three airplanes land or take off simultaneously.

Cocoa Rotarian Carl Johns, Steve Gardner Executive Director of the Greater Orlando Aviation Authority, GOAA Staffer Carl, Cocoa Rotary President Pat Hare.

The airport designator code "MCO" comes from the former McCoy Air Force Base, on which site, located at -81.08W 28.96 N, and at 113 feet above sea level, Orlando International Airport now stands. Orlando International Airport has Scheduled Non-Stop Service to more major destinations in the U.S. than most other airports in the U.S., including all of the any other airport in Florida.

The lake at the north entrance to the airport is named Okee Hawkay Lokosee, which is Seminole for "Bugger Bear", the nickname of former GOAA employee, Norman Glass. Orlando International Airport has four parallel runways, two which are 12,000 feet long, one which is 10,000 feet long, and one which is 9,000 feet in length, allowing triple-simultaneous operation. Even with an Annual Budget exceeding \$300 million, **No local Tax Dollars** are used to fund the Airport - all funding comes from the Airlines, Hotel and Concessions, Parking and Ground Transportation, Rental Car Companies, Tradeport, Federal Grants and Passenger Facility Charges. More than 50 airlines serve Orlando International Airport, which continues to attract New Air Service every month.
