“Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian’s personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

OUR OPENING SONG

*I want to wake up in the morning
Where the orange
blossoms grow,
And the sun comes peeping
Into where I’m sleeping
And the song birds say hello.
I want to wander in the
orange grove
As I used to long ago,
And go drifting back to Florida
Where the orange
blossoms grow...*

Tom Kimmel, Former FBI agent for 25 years and Pearl Harbor scholar, was the guest speaker

for the Rotary Club of Cocoa on Nov. 17, 2009. He is the grandson of Admiral Husband E. Kimmel. The Admiral is one of two men blamed and punished for allowing the Japanese to be successful at bombing Pearl Harbor in 1941. Tom's entire story can be read at the website, <http://pearlharbor911attacks.com/>

The website tell the "Story Within The Pearl Harbor Story" about the quest of the Kimmel and Short families and their supporters to persuade the President of the United States to issue a proclamation, posthumously, nominating Pearl Harbor commanders, Adm. Husband Kimmel and Gen. Walter Short, respectively the U.S. Navy and U.S. Army commanders during the 7 December 1941 Japanese attack on Pearl Harbor, for retirement at their highest wartime ranks—Admiral and Lieutenant General—under the Officer Personnel Act of 1947.

Congress passed a law in 2000 recommending that this administration advance Kimmel and Short on the retired list. To date, the administration has not done so, and refuses to release requested information explaining why.

In brief, Admiral Kimmel did not have access to what was known as MAGIC – or the purple machine which just happened to provide the time of the attack, the place, reason, and the deceit plan to cover the attack. Washington, DC had this access, but not Admiral Kimmel; he had to depend upon them to get this information, and needless to say, he did not receive the information.
