## “Celebrate Rotary”

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**FIRST.** The development of acquaintance as an opportunity for service;

**SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

**THIRD.** The application of the ideal of service in each Rotarian’s personal, business, and community life;

**FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### OUR OPENING SONG

*I want to wake up in the morning  
Where the orange  
blossoms grow,  
And the sun comes peeping  
Into where I’m sleeping  
And the song birds say hello.  
I want to wander in the  
orange grove  
As I used to long ago,  
And go drifting back to Florida  
Where the orange  
blossoms grow...*

## This week's program

**Joe Gallagher**  
**Brevard County Boys and Girls Club**

John Anderson the former Chairman of Brevard Republican Party, was our guest speaker for the Rotary Club of Cocoa on December 15, 2009.

Although I was not in attendance I'm sure he gave a wonderful presentation in regards to the many things going on in our community. I'd like to tell you some things that I know about John Anderson.

As you all know I work for the Central Brevard Sharing Center in Cocoa. One day when I first started working at the Sharing Center (2003) this nice older gentleman approach me and inquired how things were going. I stated that things were as crazy as ever and I stated we were in need of volunteers for our food pantry program. He stated that he could help me get the word out and I thanked him and went on my merry way trying to get a grip on the need around me.

Cocoa Rotary President Pat Hare and Guest Speaker John Anderson Former Chairman of the Brevard Republican Party.

Two day later I had about 20 calls from local residents wanting to volunteer and I was overwhelmed by how many people were coming out of the wood work wanting to serve. After speaking with 10 potential volunteers I asked one of them "What brought you here today" and she simply said John Anderson. So that got me wondering who is this John Anderson fellow and how did he get so many people to show up wanting to volunteer. After asking around I found out that John Anderson was the President of the local AARP chapter. Investigating further I found out he was a former President of the Board of Directors at the Sharing Center year before I even knew what the Sharing Center was.

Then I found out that John Anderson and his wife were the lead volunteers during the Thanksgiving and Christmas Holiday for our Community Kitchen Program. He organized all of the volunteers and recruited mostly high school kids to come in and serve on those days. He helped serve hundreds of residents by coordinating the meals and serving it restaurant family style to those who came for a meal. I was truly impressed. He has done this now for nearly 16 years.

One day he approached me and informed me that for his 80th birthday. He told his family not to bring him any gifts but to donate food to the Sharing Center instead. Two day after his birthday he showed up with a huge truck load of food. I told him he must be loved. For years now I've seen the great works this man has done. Giving back to the less fortunate by giving his time and talents while encouraging other to follow his example.

I sure did miss being here last week to see him speak. I know he is a great example of service above self and we all should strive to be more like him by giving our time to help others who are less fortunate.
